

ENHANCED™ 72 IMPATIENS LINERS

GIVES GROWERS A JUMP START

Our newest addition for 2015 – New Guinea Impatiens and Sunpatiens® varieties now offered in 72 Enhanced™ liner trays. Get a jump start on these popular, cool-tolerant varieties by growing them out from Enhanced™ 72s. They will finish faster and be on retail benches in time for early season planting.

ENHANCED IMPATIENS EQUALS FASTER FINISH TIME

- Saves growers significant production time, because we extend the crop time at our end before shipping to you
- Now finishes in 4-5 weeks saving you 2-3 weeks of production time
- Spaced to allow for better branching, more consistent flowering, and increased bench appeal at retail
- Available in the Infinity® Series of New Guinea Impatiens– great for the shade, grower friendly, vigorous habit, and now shorter grow time
- Includes Proven Winners® newest addition to the New Guinea line – the Ruffle™ Series with blooms that emerge delicately ruffled and maintain their curl
- Also 72 Enhanced™ liners in the SunPatiens® Series – heat tolerant, perform well in both sun and shade. Huge blooms in a wide variety of colors. Available in compact and spreading varieties.
