

OUR COMMITMENT

Henry and Jeff Huntington

To our valued partners, whether a large or small operation, we know how much planning it takes each year for you to select crops, fill greenhouses, and nurture finished plants so they are ready to ship at the right time. Ultimately, your success depends on it. That's why, at Pleasant View, we start planning years in advance of any growing season and live it every day to assure you are successful and profitable.

Our goal is to provide you with the most innovative selection of branded plant products and to ensure that every one of your experiences with Pleasant View is easy, successful, and rewarding.

It all starts with the development of Proven Winners® and Proven Selections® varieties, bred to deliver outstanding garden performance, low maintenance, disease-resistance, and season-long color. Consumers nationwide have come to rely on our brands, so you can trust that growing our branded plant material will yield a healthy profit for your business.

It's also about staying on top of current market trends with the development of new, exclusive programs like our Edible and Fragrant Collections® which address consumer demands for premier, locally grown herbs. An exciting addition to the program this year is a line of premier vegetables. It's a collection that is easy to grow and sure to sell.

It's about providing the most flexible choice of liner solutions. Our extensive liner programs cover every situation and budget including early season starts; high volume production, fast turns, quick starts, and total solution-based kits that provide you with everything you need to finish a crop.

And finally, it's about maintaining a dynamic, personable relationship with our customers that arises from a total commitment of each and every person at Pleasant View. It encompasses every aspect of the company from product to operations to customer service.

We truly believe we offer the best, but being the best is only possible with the partnership of our loyal customers. All of us at Pleasant View thank you for your support over the years.
