

PREFINISHED

Offered through your broker network, Pleasant View Gardens' Prefinished Program gives you the Spring quick start you've been searching for. It helps you get ready sooner and can provide you an additional turn of Spring crops. Our program also gives you more variety on your bench, so your customers have more options, and you can reduce minimums on your inventory. Plus, it's super simple. You don't have to stock up on containers, trays, or tags because everything you need is included – not to mention the marketing support from Proven Winners®, including the branded containers reported to help increase profits by up to 200%. Transform your Spring from crazy to a simpler, calmer success with Pleasant View Gardens' Prefinished Program.

- » To guarantee shipments, submit orders prior to December 1st, 2021 - all orders after this date may be limited to in season availability
- » Two trolley minimum order
- » Reach liner minimums during weeks 13 to 16 in your zone and ship prefinished material without minimums
- » Perfect for a quick start or additional turn of Spring crops
- » Open up greenhouses later in the season for energy savings
- » Everything is included, no need to inventory containers, trays, or tags
